Re: Violation of HASP by Grace Employees

Paul,

Jim Stout was observed this morning parking his car at the side of the road beyond the Parker's Property line. After about five minutes, he got back into his car and drove up Rainy Creek Road. This action is a clear violation of the HASP for the site. Only authorized vehicles are to pass the gate at the base of Rainy Creek Road. In addition, Mr. Stout did not have a radio, nor was he wearing a tyvek suit, hardhat, or safety glasses, all of which are violations of the HASP for the site.
